**NOTICE OF SPECIAL MEETING OF STOCKHOLDERS  
To Be Held on January 8, 2024**

Dear Stockholders of TransCode Therapeutics, Inc.:

We are pleased to invite you to attend our Special Meeting of Stockholders to be held virtually, via live webcast at [virtualshareholdermeeting.com/RNAZ2024SM](http://virtualshareholdermeeting.com/RNAZ2024SM) on January 8, 2024 at 9:00 a.m. Eastern Time (the "Special Meeting"). At the Special Meeting, we will ask you to consider the following proposals:

1. To approve an amendment to our amended and restated certificate of incorporation, as amended (the "Charter"), to effect a reverse stock split of our outstanding shares of common stock, par value \$0.0001 per share (the "Common Stock"), at a ratio, ranging from one-for-ten (1:10) to one-for-forty (1:40), with the exact ratio to be set within that range at the discretion of our Board of Directors without further approval or authorization of our stockholders (the "Reverse Stock Split Proposal"); and
2. To approve a proposal to adjourn the Special Meeting to a later date or dates, if necessary or appropriate, to permit further solicitation and vote of proxies in the event that there are insufficient votes for, or otherwise in connection with, the approval of the Reverse Stock Split Proposal (the "Adjournment Proposal").

The Special Meeting will be a completely virtual meeting, which will be conducted via live webcast. You will be able to listen to the Special Meeting, submit your questions, and vote during the live webcast of the meeting by visiting [virtualshareholdermeeting.com/RNAZ2024SM](http://virtualshareholdermeeting.com/RNAZ2024SM) shortly prior to the scheduled start of the meeting and entering the 16-digit control number found on the proxy card or voting instruction form.

The Reverse Split Proposal was approved by the Board, at a ratio to be determined by the Board at a later date in its discretion, and requires the affirmative vote of the majority of the votes cast by the holders of our Common Stock present in person (via live webcast) or represented by proxy at the Special Meeting and entitled to vote on the proposal, to be approved.

The Board has fixed the close of business on December 13, 2023 as the record date for determining the stockholders entitled to notice of, and to vote at, the Special Meeting or any adjournments thereof. Only the stockholders of record of our Common Stock are entitled to receive notice of, and to vote at, the Special Meeting or any adjournments thereof.

Your vote is important. Whether or not you plan to participate in the meeting, we would like for your shares to be represented. Please vote as soon as possible via the Internet, telephone, or mail.

Sincerely,

/s/ R. Michael Dudley

**TRANSCODE THERAPEUTICS, INC.**  
**PROXY STATEMENT**  
**FOR SPECIAL MEETING OF STOCKHOLDERS**  
**To Be Held at 9:00 a.m. Eastern Time on**  
**January 8, 2024**

This proxy statement and the enclosed form of proxy are furnished in connection with the solicitation of proxies by our Board of Directors (the “Board” or “Board of Directors”) for use at the special meeting of stockholders of TransCode Therapeutics, Inc., a Delaware corporation, and any postponements, adjournments or continuations thereof (the “Special Meeting”). The Special Meeting will be held virtually, via live webcast at [virtualshareholdermeeting.com/RNAZ2024SM](http://virtualshareholdermeeting.com/RNAZ2024SM), on January 8, 2024 at 9:00 a.m. Eastern Time.

References in this Proxy Statement to “we,” “us,” “our,” the “Company” or “TransCode” refer to TransCode Therapeutics, Inc. In addition, unless the context otherwise requires, references to “stockholders” are to the holders of our common stock, par value \$0.0001 per share (“Common Stock”).

This proxy statement contains important information for you to consider when deciding how to vote on the matters for which we are soliciting proxies. Please read it carefully.

The Special Meeting can be accessed via the internet at [virtualshareholdermeeting.com/RNAZ2024SM](http://virtualshareholdermeeting.com/RNAZ2024SM) where you will be able to listen to the meeting live, submit questions, and vote online.

The Notice of Special Meeting, this Proxy Statement and the form of proxy are first being mailed on or about December 18, 2023, to all stockholders entitled to vote at the Special Meeting.

**THE INFORMATION PROVIDED IN THE “QUESTION AND ANSWER” FORMAT BELOW IS FOR YOUR CONVENIENCE ONLY AND IS MERELY A SUMMARY OF THE INFORMATION CONTAINED IN THIS PROXY STATEMENT. YOU SHOULD READ THIS ENTIRE PROXY STATEMENT CAREFULLY.**

**QUESTIONS AND ANSWERS ABOUT THE PROXY MATERIALS AND OUR SPECIAL MEETING**

**What items will be voted on at the Special Meeting?**

Stockholders will vote on the following items at the Special Meeting:

- To approve an amendment to our amended and restated certificate of incorporation in the form attached to the proxy statement as Annex A, to, at the discretion of the Board, effect a reverse stock split of our outstanding shares of Common Stock, at a ratio, ranging from one-for-ten (1:10) to one-for-forty (1:40), with the exact ratio to be set within that range at the discretion of our Board of Directors without further approval or authorization of our stockholders (the “Reverse Stock Split Proposal” or “Proposal 1”); and
- To approve a proposal to adjourn the Special Meeting to a later date or dates, if necessary or appropriate, to permit further solicitation and vote of proxies in the event that there are insufficient votes for, or otherwise in connection with, the approval of the Reverse Stock Split Proposal (the “Adjournment Proposal” or “Proposal 2”).

Other than these proposals, no other proposals will be presented for a vote at the Special Meeting.

**Why is the Company electing to effect a reverse stock split?**

Our Board has unanimously adopted a resolution declaring advisable, and recommending to our stockholders for their approval, an amendment to our amended and restated certificate of incorporation (the “Reverse Stock Split Amendment”) authorizing a reverse stock split of the outstanding shares of our Common Stock at a ratio in the range of 1-for-10 to 1-for-40, with such ratio to be determined by the Board (the “Reverse Stock Split”), and granting the Board the discretion to file a certificate of amendment to our amended and restated certificate of incorporation with the Secretary of State of the State of Delaware effecting the Reverse Stock Split prior to December 31, 2024 or to abandon the Reverse Stock Split altogether. The primary goal of the Reverse Stock Split is to increase the per share market price of our Common Stock to meet the minimum per share bid price requirements for continued listing on the Nasdaq Capital Market (“Nasdaq”).

The form of the proposed Reverse Stock Split Amendment is attached to this proxy statement as Annex A. The Reverse Stock Split Amendment will effect the Reverse Stock Split by reducing the number of outstanding shares of Common Stock as compared to the number of outstanding shares immediately prior to the effectiveness of the Reverse Stock Split, but will not increase the par value of Common Stock, and will not change the number of authorized shares of our capital stock. Stockholders are urged to carefully read Annex A. If implemented, the number of shares of our Common Stock owned by each of our stockholders will be reduced by the same proportion as the reduction in the total number of shares of our Common Stock outstanding, so that the percentage of our outstanding Common Stock owned by each of our stockholders will remain approximately the same, except to the extent that the Reverse Stock Split could result in some or all of our stockholders receiving one share of Common Stock in lieu of a fractional share.

**How does the Board of Directors recommend I vote on these proposals?**

The Board recommends a vote:

- **FOR** the approval of an amendment to our amended and restated certificate of incorporation to effect a reverse stock split of our outstanding shares of Common Stock, at a ratio, ranging from one-for-ten (1:10) to one-for-forty (1:40), with the exact ratio to be set within that range at the discretion of our Board of Directors without further approval or authorization of our stockholders; and
- **FOR** the approval of a proposal to adjourn the Special Meeting to a later date or dates, if necessary or appropriate, to permit further solicitation and vote of proxies in the event that there are insufficient votes for, or otherwise in connection with, the approval of the Reverse Stock Split Proposal.

**Why is the Special Meeting a virtual, online meeting?**

The Special Meeting will be a virtual meeting of stockholders where stockholders will participate by accessing a website using the Internet. There will not be a physical meeting location. We believe that hosting a virtual meeting will facilitate stockholder attendance and participation at the Special Meeting by enabling stockholders to participate remotely from any location around the world. Our virtual meeting will be governed by our Rules of Conduct and Procedures which will be posted at [www.proxyvote.com](http://www.proxyvote.com) in advance of the meeting and will be available during the online meeting at [virtualshareholdermeeting.com/RNAZ2024SM](http://virtualshareholdermeeting.com/RNAZ2024SM). We have designed the Special Meeting to provide the same rights and opportunities to participate as stockholders have at an in-person meeting, including the right to vote and ask questions through the virtual meeting platform.

**How do I virtually attend the Special Meeting?**

We will be hosting the Special Meeting via live webcast only. The Special Meeting will be held via live webcast at [virtualshareholdermeeting.com/RNAZ2024SM](http://virtualshareholdermeeting.com/RNAZ2024SM) on January 8, 2024 at 9:00 a.m. Eastern Time. Online access to the webcast will open fifteen (15) minutes prior to the start of the Special Meeting to allow time for you to log-in and test your device's audio system. To be admitted to the Special Meeting, you will need to log-in at [virtualshareholdermeeting.com/RNAZ2024SM](http://virtualshareholdermeeting.com/RNAZ2024SM). Information on how to vote online at the virtual Special Meeting is discussed below.

Beginning fifteen (15) minutes prior to, and during, the Special Meeting, we will have technicians standing by and ready to assist you with any technical difficulties you may have accessing or hearing the virtual meeting.

**Who is entitled to vote at the Special Meeting, and how many votes do they have?**

Stockholders of record of our Common Stock at the close of business on December 13, 2023 (the "Record Date") may vote at the Special Meeting. There were 25,097,596 shares of Common Stock outstanding on the Record Date. A complete list of registered stockholders entitled to vote at the Special Meeting will be available for inspection at the principal executive offices of the Company during regular business hours for the 10 calendar days prior to the Special Meeting. The list will also be available online during the Special Meeting.

Pursuant to the rights of our stockholders contained in our charter documents, each share of our Common Stock is entitled to one vote on all matters listed in this proxy statement.

**What vote is required to approve each proposal and how are votes counted?**

*Proposal 1, the Reverse Stock Split Proposal:* The approval of the Reverse Stock Split Proposal requires the affirmative vote of the majority of the votes cast by the holders of our Common Stock present in person (via live webcast) or represented by proxy at the Special Meeting and entitled to vote on the proposal.

*Proposal 2, the Adjournment Proposal:* The approval of the Adjournment Proposal requires the affirmative vote of the majority of the votes cast by the holders of our Common Stock present in person (via live webcast) or represented by proxy at the Special Meeting and entitled to vote on the proposal.

**Stockholder of Record: Shares Registered in Your Name**

If, on the record date, your shares were registered directly in your name with our transfer agent, Vstock Transfer LLC ("Vstock"), then you are a stockholder of record, and you can vote your shares at the Special Meeting by one of the methods described below in the section entitled "How Do I Vote and When is the Deadline for Voting?"

**Beneficial Owner: Shares Registered in the Name of a Broker or Bank**

If, on the record date, your shares were held in an account at a brokerage firm, bank, dealer or other similar organization, then you are the beneficial owner of shares held in "street name" and you may vote your shares at the Special Meeting by one of the methods described below in the section entitled "How Do I Vote and When is the Deadline for Voting?"

**How Will I Receive Proxy Materials?**

On or about December 18, 2023, we will mail proxy materials to holders of record of our Common Stock as of the close of business on the record date.

**How many shares must be represented to have a quorum and hold the Special Meeting?**

Our Amended and Restated Bylaws, as amended (the “Bylaws”), provide that the presence in person or by proxy of the holders of one-third in voting power of the outstanding shares of capital stock entitled to vote at the meeting, will constitute a quorum for the transaction of business at the Special Meeting.

**How Do I Vote and When is the Deadline for Voting?**

Whether you plan to attend the Special Meeting or not, we urge you to submit your proxy to vote. Submitting a proxy to vote your shares will not affect your right to attend the Special Meeting.

***Stockholder of Record***

If your shares are registered directly in your name, you may vote or submit your proxy to vote:

- *By mail.* Complete and mail the enclosed proxy card in the enclosed postage prepaid envelope. Your proxy will be voted in accordance with your instructions. If you sign the proxy card but do not specify how you want your shares voted, they will be voted as recommended by our Board. Your proxy card must be received on or before 11:59 P.M. Eastern time on January 7, 2024, the day before the Special Meeting, to be counted.
- *At the Special Meeting.* You may vote during the virtual meeting at [virtualshareholdermeeting.com/RNAZ2024SM](http://virtualshareholdermeeting.com/RNAZ2024SM). To be admitted to the Special Meeting and vote your shares, you must provide the control number as described in the proxy card mailed to you.
- *Over the Internet.* You may submit your proxy to vote via the Internet by going to [www.proxyvote.com](http://www.proxyvote.com) and following the on-screen instructions. Please have your proxy card available when you access the webpage. Your proxy to vote must be received prior to 11:59 P.M. Eastern time on January 7, 2024, the day before the Special Meeting, to be counted.
- *By telephone.* You may vote over the telephone by calling toll-free 1-800-690-6903 in the U.S. and following the recorded instructions. Please have your proxy card available when you call. Your vote must be received prior to 11:59 P.M. Eastern time on January 7, 2024, the day before the Special Meeting, to be counted.

***Hold Shares in Street Name***

If you hold shares in street name, the organization holding your account is considered the stockholder of record for purposes of voting at the Special Meeting. The stockholder of record will provide you with instructions on how to direct your bank, broker or other financial intermediary on how to vote your shares. Internet and telephone instructions will be offered to stockholders owning shares through most banks and brokers. Additionally, if you would like to vote at the Special Meeting via live webcast, you must contact the broker or other nominee who holds your shares and obtain a signed broker’s proxy card giving you the right to vote the shares, and bring it with you to the Special Meeting. You will not be able to vote at the Special Meeting unless you have a signed proxy card from your broker.

**Can I change my vote or revoke my proxy?**

You may change your vote or revoke your proxy at any time prior to the taking of the vote at the Special Meeting.

If you are the stockholder of record, you may change your vote by (1) granting a new proxy bearing a later date (which automatically revokes the earlier proxy) using any of the methods described above (and until the applicable deadline for each method), (2) providing a written notice of revocation to TransCode’s VP of Investor Relations at TransCode Therapeutics, Inc., 6 Liberty Square, #2382, Boston, MA 02109 prior to your shares being voted, or (3) attending Special Meeting and voting via the internet. Attendance at the Special Meeting will not cause your previously granted proxy to be revoked unless you specifically so request or vote via website at the Special Meeting. For shares you hold beneficially in street name, you generally may change your vote by submitting new voting instructions to your broker, bank, trustee, or nominee following the instructions they provided, or, if you have obtained a legal proxy from your broker, bank, trustee, or nominee giving you the right to vote your shares, by attending the Special Meeting and voting via the internet.

**Will choosing not to vote my shares have the same effect as casting a vote against the Reverse Stock Split Proposal or any Adjournment Proposal?**

No. If you prefer that the Reverse Stock Split Proposal or any Adjournment Proposal not be approved, you should cast your vote against the proposal. Approval of the Reverse Stock Split Proposal requires the affirmative vote of the majority of the votes cast by the holders of our Common Stock present in person or represented by proxy at the Special Meeting and entitled to vote on the proposal, assuming a quorum is present. The approval of the Adjournment Proposal requires the affirmative vote of the majority of the votes cast by the holders of our Common Stock present in person or represented by proxy at the Special Meeting and entitled to vote on the proposal.

**How Can I Find Out the Results of the Voting at the Special Meeting?**

Preliminary voting results will be announced at the Special Meeting. Final voting results will be published in a Current Report on Form 8-K to be filed with the SEC within four business days after the Special Meeting.

**Who pays the cost for soliciting proxies?**

We are making this solicitation and will pay the entire cost of preparing and distributing our proxy materials and of soliciting votes. Our officers and employees may, without compensation other than their regular compensation, solicit proxies through further mailings, personal conversations, fax, e-mails, or otherwise.

We have also engaged Saratoga Proxy Consulting, LLC (“Saratoga”), a proxy solicitation firm, who may solicit proxies on the Board’s behalf.

We expect to pay Saratoga a fee of \$25,000 in the aggregate, plus reasonable out-of-pocket expenses incurred in the process of soliciting proxies. In addition, we have agreed to indemnify Saratoga and certain related persons against certain liabilities arising out of or in connection with the engagement. Saratoga may solicit proxies by mail, telephone, facsimile or e-mail.

**Attending the Special Meeting**

The Special Meeting will be held on January 8, 2024 at 9:00 a.m. Eastern Time via live webcast at [virtualshareholdermeeting.com/RNAZ2024SM](https://virtualshareholdermeeting.com/RNAZ2024SM). We adopted a virtual format for our Special Meeting to make participation more convenient, safe and accessible for our stockholders regardless of their location.

You are entitled to participate in the Special Meeting if you were a stockholder as of the close of business on our record date of December 13, 2023 or hold a valid proxy for the meeting. To be admitted to the Special Meeting’s live webcast, you must enter your control number.

**PROPOSAL ONE**

**APPROVAL OF AN AMENDMENT TO OUR AMENDED AND RESTATED CERTIFICATE OF INCORPORATION TO EFFECT THE REVERSE STOCK SPLIT**

**Background and Proposed Amendment**

Our amended and restated certificate of incorporation currently authorizes the Company to issue a total of 300,000,000 shares of capital stock, consisting of 290,000,000 shares of Common Stock, par value \$0.0001 per share, and 10,000,000 shares of preferred stock, par value \$0.0001 per share.

On December 8, 2023, subject to stockholder approval, the Board approved an amendment to our amended restated certificate of incorporation to, at the discretion of the Board, effect the Reverse Stock Split of the Common Stock at a ratio of 1-for-10 to 1-for-40, with the exact ratio within such range to be determined by the Board of the Company at its discretion. The primary goal of the Reverse Stock Split is to increase the per share market price of our Common Stock to meet the minimum per share bid price requirements for continued listing on Nasdaq. We believe that a range of Reverse Stock Split ratios provides us with the most flexibility to achieve the desired results of the Reverse Stock Split. The Reverse Stock Split is not intended as, and will not have the effect of, a “going private transaction” covered by Rule 13e-3 promulgated under the Securities Exchange Act of 1934, as amended (the “[Exchange Act](#)”). The Reverse Stock Split is not intended to modify the rights of existing stockholders in any material respect.

If the Reverse Stock Split Proposal is approved by our stockholders and the Reverse Stock Split is effected, up to every 40 shares of our outstanding Common Stock would be combined and reclassified into one share of Common Stock. The actual timing for implementation of the Reverse Stock Split would be determined by the Board based upon its evaluation as to when such action would be most advantageous to the Company and its stockholders. Notwithstanding approval of the Reverse Stock Split Proposal by our stockholders, the Board will have the sole authority to elect whether or not and when to amend our amended and restated certificate of incorporation to effect the Reverse Stock Split. If the reverse stock split proposal is approved by our stockholders, the Board will make a determination as to whether effecting the Reverse Stock Split is in the best interests of the Company and our stockholders in light of, among other things, the Company’s ability to increase the trading price of our Common Stock to meet the minimum stock price standards of Nasdaq without effecting the Reverse Stock Split, the per share price of the Common Stock immediately prior to the Reverse Stock Split and the expected stability of the per share price of the Common Stock following the Reverse Stock Split. If the Board determines that it is in the best interests of the Company and its stockholders to effect the Reverse Stock Split, it will hold a Board meeting to determine the ratio of the Reverse Stock Split. For additional information concerning the factors the Board will consider in deciding whether to effect the Reverse Stock Split, see “— *Determination of the Reverse Stock Split Ratio*” and “— *Board Discretion to Effect the Reverse Stock Split.*”

The text of the proposed amendment to the Company’s amended and restated certificate of incorporation to effect the Reverse Stock Split is included as [Annex A](#) to this proxy statement. If the Reverse Stock Split Proposal is approved by the Company’s stockholders, the Company will have the authority to file the Reverse Stock Split Amendment with the Secretary of State of the State of Delaware, which will become effective upon its filing; *provided, however*, that the Reverse Stock Split Amendment is subject to revision to include such changes as may be required by the office of the Secretary of State of the State of Delaware and as the Board deems necessary and advisable. The Board has determined that the amendment is advisable and in the best interests of the Company and its stockholders and has submitted the amendment for consideration by our stockholders at the Special Meeting.

**Reasons for the Reverse Stock Split Amendment**

We are submitting this proposal to our stockholders for approval in order to increase the trading price of our Common Stock to meet the minimum per share bid price requirement for continued listing on The Nasdaq Capital Market. We believe increasing the trading price of our Common Stock may also assist in our capital-raising efforts by making our Common Stock more attractive to a broader range of investors. Accordingly, we believe that the Reverse Stock Split is in our stockholders’ best interests.

We believe that the Reverse Stock Split, if necessary, is our best option to meet the criteria to satisfy the minimum per share bid price requirement for continued listing on The Nasdaq Capital Market. The Nasdaq

## TABLE OF CONTENTS

Capital Market requires, among other criteria, that the Company maintain of a continued price of at least \$1.00 per share. On the Record Date, the last reported sale price of our Common Stock on The Nasdaq Capital Market was \$0.158 per share.

On the date of the mailing of this proxy statement, our Common Stock was listed on the Nasdaq Capital Market under the symbol “RNAZ.” The continued listing requirements of Nasdaq, among other things, require that our Common Stock must maintain a closing bid price in excess of \$1.00 per share. We have in the past, and may in the future, be unable to comply with certain of the listing standards that we are required to meet to maintain the listing of our Common Stock on Nasdaq.

On November 7, 2023, we received a deficiency letter from the Listing Qualifications Department (the “Staff”) of the Nasdaq Stock Market LLC (“Nasdaq”) notifying us that, for the 30 consecutive business day period between September 26, 2023, through November 6, 2023, our common stock had not maintained a minimum closing bid price of \$1.00 per share, or the Minimum Bid Price Requirement, required for continued listing on The Nasdaq Capital Market pursuant to Nasdaq Listing Rule 5550(a)(2). Nasdaq provided us an initial period of 180 calendar days, or until May 6, 2024, or the Compliance Date, to regain compliance with the Minimum Bid Price Requirement. If, at any time during this 180-day period, the closing bid price for our common stock closes at \$1.00 per share or more for a minimum of 10 consecutive business days, the Staff will provide us written notification that we have complied with the Minimum Bid Price Requirement and the common stock will continue to be eligible for listing on the Exchange.

If we do not regain compliance with the Minimum Bid Price Requirement by the Compliance Date, we may be eligible for an additional 180 calendar day compliance period. To qualify, we would be required to meet the continued listing requirement for the market value of publicly held shares and all other initial listing standards for The Nasdaq Capital Market, with the exception of the Minimum Bid Price Requirement, and would need to provide written notice to Nasdaq of our intention to cure the deficiency during the additional compliance period. If it appears to the Staff that we will not be able to cure the deficiency, the Staff will provide written notice to us that our common stock will be subject to delisting. At that time, we may appeal the Staff’s delisting determination to the Panel. There can be no assurance that if we do appeal the Staff’s delisting determination to the Panel, such appeal would be successful.

There can be no assurance that we will be able to regain compliance with the Minimum Bid Price Requirement or the Stockholders’ Equity Requirement, secure a second period of 180 days to regain compliance with the Minimum Bid Price Requirement, present a plan to demonstrate long-term compliance with the Stockholder’s Equity Requirement that will be accepted by the Panel, or maintain compliance with any of these or other Nasdaq continued listing requirements.

In addition, as noted above, we believe that the Reverse Stock Split and the resulting increase in the per share price of our Common Stock could encourage increased investor interest in our Common Stock and promote greater liquidity for our stockholders. A greater price per share of our Common Stock could allow a broader range of institutions to invest in our Common Stock (namely, funds that are prohibited or discouraged from buying stocks with a price below a certain threshold), potentially increasing marketability, trading volume and liquidity of our Common Stock. Many institutional investors view stocks trading at low prices as unduly speculative in nature and, as a result, avoid investing in such stocks. We believe that the Reverse Stock Split will provide flexibility to make our Common Stock a more attractive investment for these institutional investors, which we believe will enhance the liquidity for the holders of our Common Stock and may facilitate future sales of our Common Stock. The Reverse Stock Split could also increase interest in our Common Stock for analysts and brokers who may otherwise have policies that discourage or prohibit them in following or recommending companies with low stock prices. Additionally, because brokers’ commissions on transactions in low-priced stocks generally represent a higher percentage of the stock price than commissions on higher-priced stocks, the current average price per share of our Common Stock can result in individual stockholders paying transaction costs representing a higher percentage of their total share value than would be the case if the share price were substantially higher.

### **Risks Associated with the Reverse Stock Split**

***The Reverse Stock Split May Not Increase the Price of our Common Stock over the Long-Term.*** As noted above, the principal purpose of the Reverse Stock Split is to increase the trading price of our Common Stock to meet the minimum stock price standards of Nasdaq. However, the effect of the Reverse Stock Split on the

## TABLE OF CONTENTS

market price of our Common Stock cannot be predicted with any certainty, and we cannot assure you that the Reverse Stock Split will accomplish this objective for any meaningful period of time, or at all. While we expect that the reduction in the number of outstanding shares of Common Stock will proportionally increase the market price of our Common Stock, we cannot assure you that the Reverse Stock Split will increase the market price of our Common Stock by a multiple of the Reverse Stock Split ratio, or result in any permanent or sustained increase in the market price of our Common Stock. The market price of our Common Stock may be affected by other factors which may be unrelated to the number of shares outstanding, including the Company's business and financial performance, general market conditions, and prospects for future success.

***The Reverse Stock Split May Decrease the Liquidity of our Common Stock.*** The Board believes that the Reverse Stock Split may result in an increase in the market price of our Common Stock, which could lead to increased interest in our Common Stock and possibly promote greater liquidity for our stockholders. However, the Reverse Stock Split will also reduce the total number of outstanding shares of Common Stock, which may lead to reduced trading and a smaller number of market makers for our Common Stock, particularly if the price per share of our Common Stock does not increase as a result of the Reverse Stock Split.

***The Reverse Stock Split May Result in Some Stockholders Owning "Odd Lots" That May Be More Difficult to Sell or Require Greater Transaction Costs per Share to Sell.*** If the Reverse Stock Split is implemented, it will increase the number of stockholders who own "odd lots" of less than 100 shares of Common Stock. A purchase or sale of less than 100 shares of Common Stock (an "odd lot" transaction) may result in incrementally higher trading costs through certain brokers, particularly "full service" brokers. Therefore, those stockholders who own fewer than 100 shares of Common Stock following the Reverse Stock Split may be required to pay higher transaction costs if they sell their Common Stock.

***The Reverse Stock Split May Lead to a Decrease in our Overall Market Capitalization.*** The Reverse Stock Split may be viewed negatively by the market and, consequently, could lead to a decrease in our overall market capitalization. If the per share market price of our Common Stock does not increase in proportion to the Reverse Stock Split ratio, or following such increase does not maintain or exceed such price, then the value of our Company, as measured by our market capitalization, will be reduced. Additionally, any reduction in our market capitalization may be magnified as a result of the smaller number of total shares of Common Stock outstanding following the Reverse Stock Split.

### **Potential Consequences if the Reverse Stock Split Proposal is Not Approved**

If the Reverse Stock Split Proposal is not approved by our stockholders, our Board will not have the authority to effect the Reverse Stock Split Amendment to, among other things, facilitate the continued listing of our Common Stock on Nasdaq by increasing the per share trading price of our Common Stock to help ensure a share price high enough to satisfy the \$1.00 per share minimum bid price requirement. Any inability of our Board to effect the Reverse Stock Split could expose us to delisting from Nasdaq.

### **Treatment of Fractional Shares in the Reverse Stock Split**

The Company will not issue fractional certificates for post-reverse stock split shares in connection with the Reverse Stock Split. In lieu of issuing fractional shares, stockholders of record who otherwise would be entitled to receive fractional shares will be entitled to rounding up of the fractional share to the nearest whole number.

### **Determination of the Reverse Stock Split Ratio**

The Board believes that stockholder approval of a range of potential Reverse Stock Split ratios is in the best interests of our Company and stockholders because it is not possible to predict market conditions at the time the Reverse Stock Split would be implemented. We believe that a range of Reverse Stock Split ratios provides us with the most flexibility to achieve the desired results of the Reverse Stock Split. The Reverse Stock Split ratio to be selected by our Board will be not more than 1-for-40.

The selection of the specific Reverse Stock Split ratio will be based on several factors, including, among other things:

- our ability to maintain the listing of our Common Stock on The Nasdaq Capital Market;
- the per share price of our Common Stock immediately prior to the Reverse Stock Split;

## TABLE OF CONTENTS

- the expected stability of the per share price of our Common Stock following the Reverse Stock Split;
- the likelihood that the Reverse Stock Split will result in increased marketability and liquidity of our Common Stock;
- prevailing market conditions;
- general economic conditions in our industry; and
- our market capitalization before, and anticipated market capitalization after, the Reverse Stock Split.

We believe that granting our Board the authority to set the ratio for the Reverse Stock Split is essential because it allows us to take these factors into consideration and to react to changing market conditions. If the Board chooses to implement the Reverse Stock Split, the Company will make a public announcement regarding the determination of the Reverse Stock Split ratio.

### **Board Discretion to Effect the Reverse Stock Split**

If the Reverse Stock Split Proposal is approved by our stockholders, the Board will have the discretion to implement the Reverse Stock Split or to not effect the Reverse Stock Split at all. The Board currently intends to effect the Reverse Stock Split. If the trading price of our Common Stock increases without effecting the Reverse Stock Split, the Reverse Stock Split may not be necessary. Following the Reverse Stock Split, if implemented, there can be no assurance that the market price of our Common Stock will rise in proportion to the reduction in the number of outstanding shares resulting from the Reverse Stock Split or that the market price of the post-split Common Stock can be maintained above \$1.00. There also can be no assurance that our Common Stock will not be delisted from Nasdaq for other reasons.

If our stockholders approve the Reverse Stock Split Proposal at the Special Meeting, the Reverse Stock Split will be effected, if at all, only upon a determination by the Board that the Reverse Stock Split is in the best interests of the Company and its stockholders at that time. No further action on the part of the stockholders will be required to either effect or abandon the Reverse Stock Split. If our Board does not implement the Reverse Stock Split prior to December 31, 2024, the authority granted in this proposal to implement the Reverse Stock Split will terminate and the Reverse Stock Split Amendment will be abandoned.

The market price of our Common Stock is dependent upon our performance and other factors, some of which are unrelated to the number of shares outstanding. If the Reverse Stock Split is effected and the market price of our Common Stock declines, the percentage decline as an absolute number and as a percentage of our overall market capitalization may be greater than would occur in the absence of the Reverse Stock Split. Furthermore, the reduced number of shares that will be outstanding after the Reverse Stock Split could significantly reduce the trading volume and otherwise adversely affect the liquidity of our Common Stock.

We have not proposed the Reverse Stock Split in response to any effort of which we are aware to accumulate our shares of Common Stock or obtain control of the Company, nor is it a plan by management to recommend a series of similar actions to our Board or our stockholders. Notwithstanding the decrease in the number of outstanding shares of Common Stock following the Reverse Stock Split, our Board does not intend for this transaction to be the first step in a “going private transaction” within the meaning of Rule 13e-3 of the Exchange Act.

### **Effectiveness of the Reverse Stock Split**

The Reverse Stock Split, if approved by our stockholders, will become effective upon the filing with the Secretary of State of the State of Delaware of a certificate of amendment to our amended and restated certificate of incorporation in substantially the form of the Reverse Stock Split Amendment attached to this proxy statement as Annex A. The exact timing of the filing of the Reverse Stock Split Amendment will be determined by the Board based upon its evaluation of when such action will be most advantageous to the Company and our stockholders. The Board reserves the right, notwithstanding stockholder approval and without further action by our stockholders, to elect not to proceed with the Reverse Stock Split if, at any time prior to filing such Reverse Stock Split Amendment, the Board, in its sole discretion, determines that it is no longer in the best interests of the Company and our stockholders. The Board currently intends to effect the Reverse Stock Split. If our Board does not implement the Reverse Stock Split prior to December 31, 2024, the authority granted in this proposal to implement the Reverse Stock Split will terminate and the Reverse Stock Split Amendment to effect the Reverse Stock Split will be abandoned.

**Effects of the Reverse Stock Split on Issues and Outstanding Common Stock**

If the Reverse Stock Split is effected, it will reduce the total number of issued and outstanding shares of Common Stock, including any shares held by the Company as treasury shares, by a Reverse Stock Split ratio of 1-for-10 to 1-for-40. Accordingly, each of our stockholders will own fewer shares of Common Stock as a result of the Reverse Stock Split. However, the Reverse Stock Split will affect all stockholders uniformly and will not affect any stockholder's percentage ownership interest in the Company, except to the extent that the Reverse Stock Split would result in an adjustment to a stockholder's ownership of Common Stock due to the effect of rounding up fractional shares in the Reverse Stock Split, as described in more detail herein. Therefore, voting rights and other rights and preferences of the holders of Common Stock will not be affected by the Reverse Stock Split (except for the effect of rounding up fractional shares). Common Stock issued pursuant to the Reverse Stock Split will remain fully paid and nonassessable, and the par value per share of common stock will remain \$0.0001.

As of the record date, approximately 25,097,596 shares of our Common Stock were outstanding and no shares of our Preferred Stock were outstanding. For purposes of illustration, if the Reverse Stock Split is effected at a ratio of 1-for-40, the number of issued and outstanding shares of Common Stock after the Reverse Stock Split would be approximately 627,440 shares.

**Effects of the Reverse Stock Split on Outstanding Equity Awards and Warrants to Purchase Common Stock**

If the Reverse Stock Split is effected, the terms of equity awards granted under our 2020 Stock Option and Incentive Plan (the "2020 Plan"), 2021 Stock Option and Incentive Plan ("2021 Plan") and 2021 Employee Stock Purchase Plan ("2021 ESPP", and together with the 2020 Plan and the 2021 Plan, the "Equity Plans"), including the per share exercise price of options and the number of shares issuable under such options, will be proportionally adjusted to maintain their economic value, subject to adjustments for any fractional shares as described herein. In addition, the total number of shares of Common Stock that may be the subject of future grants under the Equity Plans, as well as any plan limits on the size of such grants will be adjusted and proportionately decreased as a result of the Reverse Stock Split.

**Effects of the Reverse Stock Split on Voting Rights**

Proportionate voting rights and other rights of the holders of Common Stock would not be affected by the Reverse Stock Split (except for the effect of rounding up fractional shares). For example, a holder of 1% of the voting power of the outstanding Common Stock immediately prior to the effective time of the Reverse Stock Split would continue to hold 1% of the voting power of the outstanding Common Stock after the Reverse Stock Split (except for the effect of rounding up fractional shares).

**Effects of the Reverse Stock Split on Regulatory Matters**

We are subject to the periodic reporting and other requirements of the Exchange Act. The Reverse Stock Split will not affect our obligation to publicly file financial and other information with the SEC.

**Effects of the Reverse Stock Split on Authorized Share Capital**

The total number of shares of capital stock that we are authorized to issue will not be affected by the Reverse Stock Split and will remain at 3000,000,000 shares, consisting of 290,000,000 shares of Common Stock and 10,000,000 shares of Preferred Stock.

**Effects of the Reverse Stock Split on the Number of Shares of Common Stock Available for Future Issuance**

By reducing the number of shares outstanding without reducing the number of shares of available but unissued Common Stock, the Reverse Stock Split will increase the number of authorized but unissued shares. The Board believes the increase is appropriate for use to fund the future operations of the Company. Although the Company does not have any pending acquisitions for which shares are expected to be used, the Company may also use authorized shares in connection with the financing of future acquisitions.

## TABLE OF CONTENTS

Although the Reverse Stock Split would not have any dilutive effect on our stockholders, the Reverse Stock Split without a reduction in the number of shares authorized for issuance would reduce the proportion of shares owned by our stockholders relative to the number of shares authorized for issuance, giving the Board an effective increase in the authorized shares available for issuance, in its discretion. The Board from time to time may deem it to be in the best interests of the Company to enter into transactions and other ventures that may include the issuance of shares of our common stock. If the Board authorizes the issuance of additional shares subsequent to the Reverse Stock Split, the dilution to the ownership interest of our existing stockholders may be greater than would occur had the Reverse Stock Split not been effected.

### **Mechanics of the Reverse Stock Split**

If the Reverse Stock Split is approved and effected, beginning on the effective date of the Reverse Stock Split, each certificate representing pre-split shares will, until surrendered and exchanged as described below, for all corporate purposes, be deemed to represent, respectively, only the number of post-split shares.

### **Exchange of Stock Certificates**

Shortly after the Reverse Stock Split becomes effective, stockholders will be notified and offered the opportunity at their own expense to surrender their current certificates to our stock transfer agent in exchange for the issuance of new certificates reflecting the Reverse Stock Split in accordance with the procedures to be set forth in a letter of transmittal to be sent by our stock transfer agent. In connection with the Reverse Stock Split, the CUSIP number for the common stock will change from its current CUSIP number. This new CUSIP number will appear on any new stock certificates issued representing post-split shares. **STOCKHOLDERS SHOULD NOT DESTROY ANY STOCK CERTIFICATE(S) AND SHOULD NOT SUBMIT ANY STOCK CERTIFICATE(S) UNLESS AND UNTIL REQUESTED TO DO SO FOLLOWING THE ANNOUNCEMENT OF THE COMPLETION OF THE REVERSE STOCK SPLIT.**

### **Effect on Registered “Book-Entry” Holders of Common Stock**

Holders of Common Stock may hold some or all of their Common Stock electronically in book-entry form (“street name”) under the direct registration system for securities. These stockholders will not have stock certificates evidencing their ownership. They are, however, provided with a statement reflecting the number of shares of Common Stock registered in their accounts. If you hold registered Common Stock in book-entry form, you do not need to take any action to receive your post-split shares, if applicable.

### **Appraisal Rights**

Under the Delaware General Corporation Law, our stockholders are not entitled to appraisal or dissenter’s rights with respect to the Reverse Stock Split, and we will not independently provide our stockholders with any such rights.

### **Regulatory Approvals**

The Reverse Stock Split will not be consummated, if at all, until after approval of our stockholders is obtained. We are not obligated to obtain any governmental approvals or comply with any state or federal regulations in order to effect the Reverse Stock Split other than the filing of the Reverse Stock Split Charter Amendment with the Secretary of State of the State of Delaware.

### **Accounting Treatment of the Reverse Stock Split**

If the Reverse Stock Split is effected, the par value per share of our Common Stock will remain unchanged at \$0.0001. Accordingly, on the effective date of the Reverse Stock Split, the stated capital on our consolidated balance sheets attributable to our Common Stock will be reduced in proportion to the size of the Reverse Stock Split ratio, and the additional paid-in-capital account will be increased by the amount by which the stated capital is reduced. Our stockholders’ equity, in the aggregate, will remain unchanged. Per share net income or loss will be increased because there will be fewer shares of Common Stock outstanding. Any Common Stock held in treasury will be reduced in proportion to the Reverse Stock Split ratio. The Company does not anticipate that any other accounting consequences, including changes to the amount of stock-based compensation expense to be recognized in any period, will arise as a result of the Reverse Stock Split.

## **Certain U.S. Federal Income Tax Consequences of the Reverse Stock Split**

The following discussion is a summary of certain material U.S. federal income tax considerations of the Reverse Stock Split applicable to U.S. holders (as defined below). This discussion does not purport to be a complete analysis of all potential tax consequences that may be relevant to a U.S. holder. The effects of U.S. federal tax laws other than U.S. federal income tax laws, such as estate and gift tax laws, and any applicable state, local or non-U.S. tax laws are not discussed. This discussion is based on the U.S. Internal Revenue Code of 1986, as amended (the “Code”), Treasury Regulations promulgated thereunder, judicial decisions, and published rulings and administrative pronouncements of the IRS, in each case in effect as of the date hereof. These authorities may change or be subject to differing interpretations. Any such change or differing interpretation may be applied retroactively in a manner that could adversely affect a U.S. holder. We have not sought and do not intend to seek any rulings from the IRS regarding the matters discussed below. There can be no assurance the IRS or a court will not take a position contrary to that discussed below regarding the tax consequences of the Reverse Stock Split.

This discussion is limited to U.S. holders that hold Common Stock as a “capital asset” within the meaning of Section 1221 of the Code (generally, property held for investment). This discussion does not address all U.S. federal income tax consequences relevant to a U.S. holder’s particular circumstances, including the impact of the alternative minimum tax, the rules related to “qualified small business stock” within the meaning of Section 1202 of the Code or the Medicare contribution tax on net investment income. In addition, it does not address consequences relevant to U.S. holders subject to special rules, including, without limitation:

- U.S. expatriates and former citizens or long-term residents of the United States;
- U.S. holders whose functional currency is not the U.S. dollar;
- Persons holding Common Stock as part of a hedge, straddle or other risk reduction strategy or as part of a conversion transaction or other integrated investment;
- banks, insurance companies, and other financial institutions;
- real estate investment trusts or regulated investment companies;
- brokers, dealers or traders in securities;
- corporations that accumulate earnings to avoid U.S. federal income tax;
- S corporations, partnerships or other entities or arrangements treated as partnerships for U.S. federal income tax purposes (and investors therein);
- tax-exempt organizations or governmental organizations;
- persons deemed to sell Common Stock under the constructive sale provisions of the Code;
- persons who hold or received Common Stock pursuant to the exercise of any employee stock option or otherwise as compensation; and tax-qualified retirement plans.

If an entity treated as a partnership for U.S. federal income tax purposes holds Common Stock, the tax treatment of a partner in the partnership will generally depend on the status of the partner, the activities of the partnership and certain determinations made at the partner level. Accordingly, partnerships holding Common Stock and the partners in such partnerships should consult their tax advisors regarding the U.S. federal income tax consequences to them.

**THIS DISCUSSION IS FOR INFORMATION PURPOSES ONLY AND IS NOT TAX ADVICE. HOLDERS SHOULD CONSULT THEIR TAX ADVISORS WITH RESPECT TO THE APPLICATION OF THE U.S. FEDERAL INCOME TAX LAWS TO THEIR PARTICULAR SITUATIONS AS WELL AS ANY TAX CONSEQUENCES OF THE REVERSE STOCK SPLIT ARISING UNDER THE U.S. FEDERAL ESTATE OR GIFT TAX LAWS OR UNDER THE LAWS OF ANY STATE, LOCAL OR NON-U.S. TAXING JURISDICTION OR UNDER ANY APPLICABLE INCOME TAX TREATY.**

The Reverse Stock Split should constitute a “recapitalization” for U.S. federal income tax purposes. As a result, a U.S. holder of Common Stock generally should not recognize gain or loss upon the Reverse Stock Split. A U.S. holder’s aggregate tax basis in the shares of Common Stock received pursuant to the Reverse Stock Split should equal the aggregate tax basis of the shares of the Common Stock surrendered, and such U.S. holder’s

[TABLE OF CONTENTS](#)

holding period in the shares Common Stock received should include the holding period in the shares of Common Stock surrendered. Treasury Regulations provide detailed rules for allocating the tax basis and holding period of the shares of Common Stock surrendered to the shares of Common Stock received in a recapitalization pursuant to the Reverse Stock Split. U.S. holders of shares of Common Stock acquired on different dates and at different prices should consult their tax advisors regarding the allocation of the tax basis and holding period of such shares.

As noted above, we will not issue fractional shares in connection with the Reverse Stock Split. Instead, stockholders who otherwise would be entitled to receive fractional shares will be automatically entitled to receive an additional fraction of a share of common stock to round up to the next whole post-split share. The U.S. federal income tax treatment of the receipt of such a fractional share in a Reverse Stock Split is not clear. It is possible that the receipt of such an additional fraction of a share of common stock may be treated as a distribution taxable as a dividend or as an amount received in exchange for common stock. We intend to treat the issuance of such an additional fraction of a share of common stock in the Reverse Stock Split as a non-recognition event, but there can be no assurance that the Internal Revenue Service or a court would not successfully assert otherwise.

**Vote Required**

Pursuant to the Delaware General Corporation Law and our organizational documents, approval of the Reverse Stock Split Proposal requires the affirmative vote of the majority of the votes cast by the holders of our Common Stock present in person (via live webcast) or represented by proxy at the Special Meeting and entitled to vote on the proposal. Since abstentions are not considered votes cast, they will have no effect on this proposal.

**Our Recommendation**

**THE BOARD UNANIMOUSLY RECOMMENDS A VOTE “FOR” THE PROPOSAL TO AMEND OUR AMENDED AND RESTATED CERTIFICATE OF INCORPORATION TO EFFECT THE REVERSE STOCK SPLIT.**

**PROPOSAL TWO**

**TO APPROVE THE ADJOURNMENT OF THE SPECIAL MEETING, IF NECESSARY, TO SOLICIT ADDITIONAL PROXIES IF THERE ARE INSUFFICIENT VOTES AT THE TIME OF THE SPECIAL MEETING TO APPROVE THE REVERSE STOCK SPLIT PROPOSAL**

**Background of and Rationale for the Adjournment Proposal**

The Board believes that, if the number of affirmative votes received from the holders of outstanding shares of our Common Stock entitled to vote on the Reverse Stock Split are insufficient to approve the Reverse Stock Split Proposal, it is in the best interests of the stockholders to enable the Board to continue to seek to obtain a sufficient number of additional affirmative votes to approve the Reverse Stock Split Proposal.

In the Adjournment Proposal, we are asking stockholders to authorize the holder of any proxy solicited by the Board to vote in favor of adjourning the Special Meeting or any adjournment thereof. If our stockholders approve this proposal, we could adjourn the Special Meeting, and any adjourned session of the Special Meeting, to use the additional time to solicit additional proxies in favor of the Reverse Stock Split Proposal.

Additionally, approval of the Adjournment Proposal could mean that, in the event we receive proxies indicating that a majority of the voting power of the outstanding shares of our Common Stock entitled to vote on the Reverse Stock Split Proposal have voted against the Reverse Stock Split Proposal, we could adjourn the Special Meeting without a vote on the Reverse Stock Split Proposal and use the additional time to solicit the holders of those shares to change their vote in favor of the Reverse Stock Split Proposal.

**Vote Required**

The approval of the Adjournment Proposal requires the affirmative vote of the majority of the votes cast by the holders of our Common Stock present in person (via live webcast) or represented by proxy at the Special Meeting and entitled to vote on the proposal.

**Board Recommendation**

**THE BOARD RECOMMENDS A VOTE “FOR” THE ADJOURNMENT OF THE SPECIAL MEETING, IF NECESSARY, TO SOLICIT ADDITIONAL PROXIES IF THERE ARE INSUFFICIENT VOTES AT THE TIME OF THE SPECIAL MEETING TO APPROVE THE REVERSE STOCK SPLIT PROPOSAL.**

**OTHER MATTERS**

As of the time of preparation of this proxy statement, neither the Board nor management intends to bring before the meeting any business other than the matters referred to in the Notice of Special Meeting and this proxy statement. If any other business should properly come before the meeting, or any adjournment thereof, the persons named in the proxy will vote on such matters according to their best judgment. In addition, our bylaws permit the presiding officer at the Special Meeting to adjourn the meeting in his or her sole discretion.

**HOUSEHOLDING**

Some banks, brokers and other nominee record holders may be participating in the practice of “householding” proxy statements and annual reports. This means that only one copy of our documents, including the Annual Report on Form 10-K and Proxy Statement, may have been sent to multiple stockholders in your household. We will promptly deliver a separate copy of either document to you upon written or oral request to TransCode Therapeutics, Inc., 6 Liberty Square, #2382, Boston, MA 02109, Attention: Corporate Secretary, telephone: 857-837-3099. If you want to receive separate copies of the proxy statement or Annual Report on Form 10-K in the future, or if you are receiving multiple copies and would like to receive only one copy per household, you should contact your bank, broker or other nominee record holder, or you may contact us at the above address and phone number.

**SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT**

The following table sets forth information regarding beneficial ownership of our Common Stock as of the Record Date by:

- 1) each person or group of affiliated persons known by us to be the beneficial owner of more than 5% of our Common Stock;
- 2) each of our current directors;
- 3) each of our named executive officers; and
- 4) all of our executive officers and directors as a group.

We have determined beneficial ownership in accordance with the rules of the SEC and the information is not necessarily indicative of beneficial ownership for any other purpose. Unless otherwise indicated below, to our knowledge, the persons and entities named in the table have sole voting and sole investment power with respect to all shares that they beneficially own, subject to community property laws where applicable. To our knowledge, no person or entity, except as set forth below, is the beneficial owner of more than 5% of the voting power of our Common Stock as of the close of business on the Record Date.

Under SEC rules, the calculation of the number of shares of our Common Stock beneficially owned by a person and the percentage ownership of that person includes both outstanding shares of our Common Stock then owned as well as any shares of our Common Stock subject to options or warrants held by that person that are currently exercisable or exercisable within 60 days of the Record Date. Shares subject to those options or warrants for a particular person are not included as outstanding, however, for the purpose of computing the percentage ownership of any other person. Percentage ownership is based on 25,097,596 shares of our Common Stock outstanding as of the Record Date.

Unless otherwise indicated, the address of each beneficial owner listed in the table below is c/o TransCode Therapeutics, Inc., 6 Liberty Square, #2382, Boston, MA 02109.
